Abstract Submission: It is really important to note that the only name and email address to provide is that of the person presenting. If you are submitting an abstract on behalf of someone else, you must include their details and NOT your details as this causes too much confusion.

Abstract title: All titles must be CAPITALS. The maximum number of words allowed in the title is 20.

Abstract text: The Abstract should be as informative and concise as possible.
Word count is limited to 300 (excluding title, name of authors, departments, institutions, references). Abstracts with excess word count will be returned / rejected.
Abstracts should use the following structured format: Aims, Methods, Results, Conclusion
(NO OTHER FORMATS WILL BE ACCEPTED - PLEASE ALSO NOTE, NO TABLES OR GRAPHS ALLOWED).

Only abstracts written in English will be reviewed. Ensure correct spelling and grammar prior to submission. Trainees / students are advised to obtain supervisors revision and approval prior to submission.

Tips: Some special characters might get misaligned / lost during the copy & paste process. Please follow instructions on website for instructions on this.

Please ensure correct email address of the authors to aid notification of acceptance. Kindly update your email address with IPA administrator.

Please note the following: by submitting an abstract to IPA you agree the following:

1. Confirm that you have previewed this abstract and that all information is correct. You accept that the content of this abstract cannot be modified or corrected after final submission and you are aware that it will be published exactly as submitted.

2. Submission of your abstract to IPA meeting constitutes your consent to publication (e.g. conference website, printed programmes and abstract publication as a journal supplement)

3. Please ensure that the contact details saved in the online submission system are those of the corresponding author, who will be notified about the status of the abstract. The corresponding author is responsible for informing the other authors about the status of the abstract. Contact details will be used by IPA for communications related to IPA activities / those of related professional societies.

4. Should your abstract be accepted for presentation Oral/Poster, please note that your abstract will not be presented at the IPA meeting without author registration for the event.
